- MODERN LOOK similar to iPad styling
- BRIGHT LED LIGHTING makes your message stand out. LED's last up to 50,000 hours so it's safe to leave on 24 hours a day with very low power usage.
- EASY CHANGE GRAPHICS, front panel is attached with magnets and you just peel it back, change graphic and magnet front panel back into place.
- THIN ALUMINUM FRAME is lightweight but strong and can mount directly to wall with screws to prevent removal.
- HIGH RESOLUTION FULL-COLOR GRAPHICS look better than an iPad or TV mounted on the wall.
- INSTALLATION can be done vertically or horizontally. Easily screwed to wall

- THIN PROFILE
